## DEBATE ON

Ladies and Gentlemen

We are honored to invite you to the conference “Women in Defence and Security”, which is an international debate on women’s role in solving the global security problems. Today’s international security environment with dynamically evolving, unpredictable and complex threats poses numerous challenges to women’s full, equal and meaningful participation in peace building processes. The issues proposed for scientific analysis and discussion include:

- **Women in the armies of the world**
- **Women in the paramilitary organizations**
- **Women – their rights, obligations and fight for values**

We hope, the conference will be a unique opportunity to share and build the new knowledge of the practical value for the scientific community, experts and whole society.

Registration deadline: 20<sup>th</sup> April 2021 at:
